

## Project Manager

**Do you want to be a Big Fish in a Small Pond?**

**We want to recruit a Sensory Scientist or Market Research Executive to our Nottingham Team**

This exciting role offers:

- **A huge variety of projects and products to work on**
- **End to end project responsibility**
- **Training and mentoring from a team of leading research professionals**
- **The requirement to develop strong client relationships and accounts**
- **An influential position within an internationally recognised and growing business**

We are a passionate team committed to quality and excellence. We work hard in a supportive, fun and caring environment where flexibility and team work are paramount.

If you think that you have the skills that we need we would love to hear from you. Please call Tracey Sanderson on +44 (0)118 207 5965 for more information or email your CV and a covering letter to [tracey.sanderson@sensorydimensions.com](mailto:tracey.sanderson@sensorydimensions.com)
